Great Value, Great Views, Great Fun...Very Grateful for our Members!

Dear Friend and Manor Member,

First and foremost, and I cannot say it enough, Thank You, Thank You, Thank You! Thank you for your continued membership, your loyalty, your support, your friendship and for sharing your golf passion with all of us at the Manor. I believe Manor Golf Club is truly a family within an extended family, and I am committed to ensuring all employees, members and golfers are treated in a manner reflective of this belief. I hope you played more golf in 2019, as the weather was indeed much better than 2018 after a wet start to the season. Special thanks go out to our clubhouse staff and our maintenance crew, spearheaded by our long time Superintendent, Eric Krick. If you see Eric, please share your thanks for all that he, his family and his crew do throughout the season.

Noteworthy highlights of the 2019 season include

- *We continued to host over 50 tournaments a year, raising over \$100,000 for many worthy community causes. Your flexibility as it relates to starting times is much appreciated-it allows us to help give back to the community in which we all live and serve.
- *Manor Golf also is blessed to give back in our own efforts-we held our first ever "Evening on the Green" fundraiser that raised funds for the First Tee program. Save the date-our 2020 Evening on the Green Event will be August 8.
- * We raised over \$600 for veterans during our Patriot Day Weekend Fundraiser and over \$2600 in our Pink on the Links Golf Tournament in September, raising funds for Breast Cancer Support Services of Berks County.
- *The second year of our Manor Trilogy Tournaments continued to be a success-three competitive golf events-King of Spring, September Slam and Iron Man. Golfers accumulated points by playing in these tournaments and the ultimate outcome was a free membership again for Jon Tyrrell and Rob Peck. Congrats on a great effort to Jon and Rob! We invite our members to participate again next year and thank you for your support.
- *Men's Club Champion is a familiar name-Blake Reifsnnyder, and Women's Club Champion is a name you will continue to read about-rising star golfer Kayla Maletto, who is our youngest ever Ladies' Champ at the age of 13.
- *Junior Golf programs- largest and best year yet-First Tee, junior league,camps, and more clinics than ever to continue our passion to develop a grass roots efforts to get kids involved in the game of a lifetime. We are also proud to support the middle school programs for Governor Mifflin, Wilson, Berks Catholic and Conrad Weiser. We are honored to also be the home course for both Wilson and Berks Catholic High School Golf Teams.
- *Best in Berks for public golf courses awarded again for 2019- for the fourth straight year!
- *New carts purchased, cart path repair behind #3, and range improvement projects were completed. We have many projects on our 'wish list and continued good weather will help us do more.
- *We donated over 300 greens fees annually for golf and non golf fundraisers. If there is a charity you support and would like a donation for an event, please do not hesitate to ask. I am happy to support all charities, but especially those important to our golfers.
- *New programs this year-Give Golf a Try, Yoga for Golfers, International Women's Golf Day, Business Networking events hosted at the course. Have an idea? Please share, we love to try new events.

Please join us to celebrate being Berks Best with the best members at our annual holiday party, Tuesday December 17 at noon for our weekday members and Saturday December 21 for our weekend members.

We are looking forward to another great season in 2020. As always, I truly value your input, feedback, and comments on how to make the Manor better than ever! On behalf of all of us at the Manor, I wish you and your family a joyous, gratitude filled holiday season and the best of health, happiness, and golf in the New Year!

Cheers to you, your game, and the great game of golf!
